**Machinery for the Woodworking, Stone,
Glass, Plastic, and Metalworking Industries**

- Dryer is (2) separate units; all equipment will fit into a 40' container for shipment from Eastern USA.
- All equipment is in good working condition including all fans and blower, temperature control works properly; feed roll drive works well.
- **Rolls have been nickel treated to minimize corrosion/oxidation.**
- **This dryer equipment is still in place.**
- MARUNAKA (2) Models: RD-3UB and RD-6UB currently connected to increase capacity. Can easily be separated.
NOTE: Refurbished in 2005, operated from 2005 - 2012. Still operational ready to work!
