Description :

- **KUFO LS-500E Self-contained Dust Collector**

Designed for use in industrial environments for extracting different kinds of dust and dry shavings from single or multiple dust sources. It can be installed directly without any additional fire or explosion protection measures.

Features:

- 5 HP Direct drive blower with backwardly curved blades and 2,649 CFM air flow rating; Inlet dia. 10".
- The blower is located on the clean air side.
- Noise reduction cover to reduce from 82 dB. to 76 dB.
- Fire control system with built-in Fire Sprinkler featuring auto-temperature activation (requires a water line hook-up).

Sales - Liquidations - Auctions - Appraisals - Consulting
