Description :

- Single piece slitter that has a compact footprint of only 42" x 42".
- Designed to provide the owner with maximum throughput for accurate, smooth-edged laminate strips.
- Easily slits vertical or countertop grades without adjustment for the variation in material thickness.
- Fence with sturdy double slide-dual mechanism assures durable, accurate service.
- Dust free 1/16" kerf design allows waste to be disposed of through a chute utilizing a free floating extractor blade.
- Once aligned, the fence offers continuous slitting of material to size.
- The operator is only required to hold the material against the fence as the blades self feeds the material.

**Machinery for the Woodworking, Stone,
Glass, Plastic, and Metalworking Industries**

- Blades allow for sharpening 4 -7 times when serviced in a timely manner.
- Skilled operators can continuously cut edges to within 1/32" tolerances by holding close alignment to the fence.
