One Machine or a Complete Manufacturing Operation -

When you have Surplus Equipment - Contact **EX-FACTORYAuctions** to Liquidate your Woodworking Equipment Assets.

Since 1989, Woodworking industry professionals have long recognized **EX-FACTORY INC.** as the all time value leader in used woodworking machinery. In today's economic conditions, companies are changing their ways, especially in regard to capital equipment expenses. They are disposing of idle assets and surplus equipment to bring in cash and working capital. Many also have discovered how to make "low cost", high value equipment investments (purchases) by bidding and buying needed machinery through Online Auctions or Public Liquidations.

At **EX-FACTORYAuctions** you can trust our "In-Depth knowledge" of Equipment & Machinery, and the same high level of Customer Service you have come to expect from the entire **EX-FACTORY** Team over the last 20 years.

Using our massive Machinery Database (widely considered to be "The Blue Book" of woodworking machinery), **EX-FACTORYAuctions** provides a complete assessment of your equipment and allows you to interact with the market real-time in our dynamic Online Auctions!

My Machinery Auction (MMA) is powered by **EX-FACTORY Auctions**, a Division of EX FACTORY INC. **MMA allows Sellers with just one or a few pieces of equipment** to list and sell their items themselves in an Online Auction. Sellers communicate directly with Bidders during the Auction event.

It is a practical place for selling single or a few items to get cash fast. You have a check in your hands in less than 4 weeks. Your equipment is part of an ongoing Auction Event on the **EXFACTORYAuctions** website, a high traffic online auction site with constantly changing inventory.

EX-FACTORY INC. is an Importer and Dealer of New & Used Woodworking Machinery and Complete Plants. We liquidate complete equipment inventories, and perform equipment Appraisals.

Since 1989, our modest entry into the Woodworking Machinery Market in the US and Canada, **EX-FACTORY** has evolved into an industry leader, buying and selling woodworking equipment throughout the US and Canada, with ever expanding sales into Mexico, Central & South America and many other countries around the globe.

We offer a 60,000 sq. ft. heated facility with oversized loading bays and doors to store your equipment in a controlled and secure environment. We can demonstrate your equipment under power, greatly enhancing sales to potential buyers with optimal return on your assets.

We carry "third party owned equipment" insurance coverage.

Our technical staff can identify defects and apply necessary repairs or upgrades to make the equipment marketable.
